

Getting Ready for Takeoff

Welcome to LabPilot. Follow this brief guide to get started on your journey to a more streamlined workflow.

With LabPilot you can upload your files directly into our platform and have them back within minutes ready to mill saving you hours every single day.

1 STEP 1

Go to www.labpilot.net.

2 STEP 2

Click "Create Account" on the top right corner.

3 STEP 3

Enter your information.

4 STEP 4

Once you've completed creating your account, click "Purchase Flasks".

5 STEP 5

While waiting for your flasks to land, please check out the instructions for use for an easy and detailed overview.
